

BS Smart Navigation Assistant is a Chrome extension designed to help users/schools. It lists all the page navigation links and provides an option to search, which support English/Hindi/Hinglish. Also most useful navigation can be pinned by user, so they can find them in top of the list. We take your privacy seriously and are committed to being transparent about the data we collect and how it is used.

---

## What Data We Collect

BS Smart Navigation Assistant **does not collect or transmit any personal or sensitive user data**. The extension operates entirely in your browser and processes data locally.

We only collect limited, non-personal usage data to improve user experience and understand how the extension is used. This includes:

- **School name with Activity Count:** - Only one activity is recorded per day.
- **Mission Start Master Entry Apply Count** – no. of times master entry applied
- **Donate Button click Count:** - no. of times donate information shown.

These usage statistics are synced to our sheet in aggregate form (as simple counters) and do **not include any personal or identifiable information**.

---

## Local Storage Usage

BS Smart Navigation Assistant uses your browser's **local storage** to temporarily save pinned navigation data and alias data. This information is stored locally on your device and is **never transmitted** outside your browser.

You have full control over this data:

- You can **delete pinned link records** at any time through the extension interface.
- 

## How We Use the Data

The limited usage data we collect (**activity count:** - Only one activity is recorded per day)

Is used only for:

- Internal analytics and feature improvements
- Understanding usage patterns
- Optimizing user experience

We do **not** use this data for advertising or tracking users across websites.

### **Third-Party Sharing**

We do **not share, sell, or rent** any data (personal or otherwise) with third parties. All usage analytics remain within our internal systems.

---

### **Your Control and Choices**

- **No account or login is required** to use BS Smart Navigation Assistant.
  - You can remove all pinned link at any time.
  - You can uninstall the extension at any time.
- 

### **Changes to This Privacy Policy**

We may update this policy from time to time. Any changes will be reflected here, and we will notify users of significant updates via the extension interface.

---

### **Contact Us**
